

BACS Instrumental Program Enrollment Form 2011-12

Dear Parents,

As a student, your child has an opportunity to participate in the BACS Instrumental Program. Our highly qualified teachers provide lessons in woodwinds and brass for grades 4-8, and for strings and percussion grades 1-8.

The program includes private or small group lessons as well as preparing students for participation in the school orchestra program and ensembles. Weekly lessons following the school schedule are provided throughout the entire school year. Lessons are scheduled during lunch period or after school, according to the teacher's availability.

The cost for the year is \$360.00 per student for 1st - 3rd grades, and \$415.00 per student for 4th - 8th grades. (This is for one lesson a week & for 4 - 8 grades participation in an ensemble group.) Financial aid is available (contact the Financial Office 215-947-6225 ext. 210). Please do not send payment with your enrollment form. Families will be billed through TADS.

We are excited about our instrumental program, and look forward to working with your child! Please return the enrollment form to BACS, Box 277, Bryn Athyn, PA 19009, **attention Liz Childs**, Secretary.
